## Badon joins SBJ

SBJ has announced its newest physician, Justin T. Badon, M.D., fellowship-trained shoulder, elbow and upper extremity orthopaedic surgeon. Badon received his bachelor's degree in biology from Delta State University. He received his medical degree from the University of Mississippi School of Medicine. He completed an orthopaedic residency at the University of Mississippi Medical Center. He completed his fellowship at the University of Pittsburgh Medical Center. He is a member of the American Academy of Orthopaedic Surgeons and American Shoulder and Elbow Surgeons. Dr. Badon will see patients at the Hattiesburg and Brookhaven locations.

## SBJ adds physician assistant

SBJ has announced Maylen Brady, P.A.-C. as a new physician assistant. Brady, a native of Laurel, received an associates of arts from Jones Junior College, bachelor's degree in biological science from the University of Mississippi. She received her masters of bio-medical science degree from William Carey University. She received her master of science in physician assistant studies from Christian Brothers University. Brady is a member of the American Academy of Physician Assistants.

## Robertson named UMMC Professor of the Year

Congratulations to SBJ's fellowship-trained foot and ankle surgeon Dr. Rob Robertson who received the University of Mississippi Medical Center's Private Practice Professor of the Year Award at the chief resident dinner in Jackson.

*Dr. Dews, Dr. Matt Graves, UMMC chairman of the department of orthopedics and Dr. Robertson*

*Graduating UMMC orthopedic residents Dr. Billy Sullivan, Dr. Will Steward, Dr. Rob Robertson, Dr. Joey Dynako, Dr. Jake Smithey and Dr. Robert Dews*

## SBJ names surgery center administrator

SBJ has named Kasey Marin, RN as its Southern Surgery Center administrator. Southern Surgery Center provides orthopedic and pain management procedures for the physicians at Southern Bone and Joint Specialists. This facility includes four operating rooms, one procedure room, nine pre-op bays, nine recovery bays, two overnight extended care rooms, and a training observation room.

Marin previously was manager of cardiac cath lab and cardiac observation at Memorial Hospital in Gulfport. She was also a neurosurgery/vascular/pain management coordinator, operating room circulator and hospice nurse at Memorial Hospital in Gulfport. Marin, who has worked in healthcare 10 years, will oversee staff and functions in the surgery center. She received her bachelor of science in nursing from the University of Southern Mississippi and her master of science in nursing from the University of South Alabama. Marin is a native of Saucier.

# Physicians receive board recertification

SBJ's Dr. Constantine Charoglu received American Board of Orthopaedic Surgery (ABOS) recertification and surgery of the hand subspecialty certification. SBJ's fellowship-trained orthopaedic spine surgeons Dr. Jay Antinnes and Dr. Michael Patterson received ABOS recertification. Board certified orthopaedic surgeons maintain their certification through continuing medical education activities

and practice improvement projects that help ensure they stay informed of medical advances and new best practices in the field. Once every 10 years, they submit a list of recent surgeries to other ABOS-certified orthopaedic surgeons who review and evaluate the quality of their work as well as have their medical abilities and professionalism reviewed by other orthopaedic surgeons. They must complete an oral, written or continuing knowledge assessment to renew their certification.

## Patients have direct access to SBJ PT

Mississippi now allows direct access for physical therapy services without a referral from a healthcare provider. This approach streamlines getting help for musculoskeletal issues or other conditions that

physical therapists are trained to manage, allowing patients to access therapy services more quickly. Direct access is designed to assist patients with chronic concerns affecting their function. If you have persistent pain, injuries that are lingering, or function that is impacted, then direct access is for you. Any acute injury should be seen by one of our SBJ physicians, physician assistants or nurse practitioners by either scheduling an appointment or through our Urgent Care. Not all insurance providers cover direct access. It is important to check with your insurance provider. Call one of our therapy locations closest to you, Hattiesburg 601-554-7566, Laurel 601-342-5229 or Picayune 601-358-9532.

### SBJ REHABILITATION NOW OFFERS PHYSICAL THERAPY DIRECT ACCESS

#### What does this mean?

You can now directly seek evaluation and treatment from a licensed physical therapist without a referral from another healthcare provider.

#### How does this help our clients?

Our physical therapists use their expertise in musculoskeletal evaluation and treatment to get you better.

#### Why choose Southern Bone and Joint Rehabilitation?

With direct access, you can see a physical therapist who will consult with one of our orthopedic physicians, physician assistants or nurse practitioners to best meet your needs. This is where our team approach shines.
